

OUTSTANDING STAR

AWARD PROGRAM

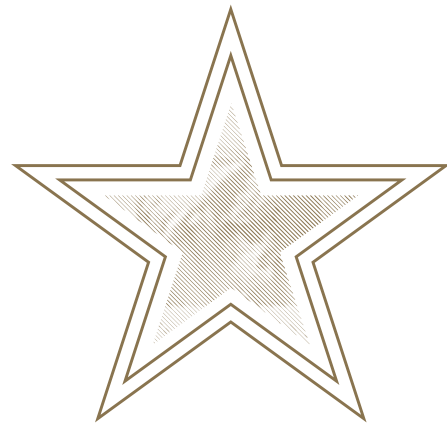

Bangor Public Health & Community Services' Health Promotion Program proudly presents Outstanding Star awards to highlight organizations and individuals in Penobscot County working to improve community health through policies and practices.

RECOGNITION BENEFITS

BPH&CS will publicly recognize awardees through social media, our website and a community celebration.

Awardees will receive a certificate, trophy, window decal, and social media graphics to promote the award.

Go to <https://bangorpublichealth.org/community/outstanding-star-awards/> to download the social media graphics or scan the QR code.
